

Homemade Jolly Rancher Lollipops

Photos & Instructions courtesy of: <https://www.eatingonadime.com/jolly-rancher-suckers/>

Supplies Needed:

- Jolly Ranchers hard candies
- Sucker sticks or popsicle sticks
- Cookie sheet & parchment paper
- Oven
- Saran Wrap (if you're saving the suckers for later!)

Instructions:

1. Line a baking sheet with parchment paper.
2. Preheat the oven to 250 degrees F.
3. Begin unwrapping the jolly rancher candies one at a time. Place them on the prepared baking sheet. You will want to set them next to each other, either in twos or threes.
4. Make sure to keep the groupings separated (like in the picture) & leave room for the sticks!

5. Bake for 5-8 minutes. Watch carefully. When they begin to melt and combine they are ready.
6. Remove from the oven and immediately place a sucker stick in the sucker. Roll the sucker stick over to coat completely. You can even pop them back in the oven for a few seconds to make sure the stick is fully coated.

7. Allow to cool for 10 minutes.
8. Enjoy immediately, or use saran wrap to keep them longer!
