Photos & Instructions provided by: <https://bit.ly/3kpY5mX>

### Supplies Needed:

- Notebook
- Magazines and/or photos to cut up
- Scissors
- Glue Stick
- Mod Podge

### Instructions:

- 1.) You may want to begin by creating your own triangle template so that all triangles will fit evenly on your notebook.
- 2.) Cut your magazines and/or photos into triangles – colorful magazine ads work great!
- 3.) Use a glue stick to glue your triangles down.
- 4.) Once you have all of your triangles glued down, apply a thin layer of mod podge over all of your triangles, to make sure none of the ends start to peel up. Let dry for about 20 minutes, and your notebook should be good to go!!
